

Shiloh Cemetery, Fredericksburg, Virginia

A listing of known burials

This listing was originally created through an unverified survey conducted by students at Germanna Community College, conducted about 1979. The students doing the survey found that some graves were marked with small metal markers that could easily be moved or vandalized, lending some uncertainty to their findings. In addition, numerous graves appeared to have no marker at all or the writing was no longer legible.

Names marked with a plus sign (+) were added later by members of the Shiloh Cemetery board. Although names added in this way were known to have had burials, no birth or death years were recorded. In certain cases, some of the missing dates may be available on cemetery markers.

Names marked with an "at" sign (@) were added separately, with information drawn from other historical records.

Names marked with a dollar sign (\$) were originally entered differently by students at Germanna Community College. The names were subsequently edited or corrected by members of the Shiloh Cemetery board based on their knowledge of families and burials.

Keep in mind that this list, retyped during May 2019, is known to be incomplete and some recorded birth or death dates may have been misread or transposed by those doing the original survey.
